# INQUIRY QUESTIONS

---

1. Let's describe this artwork in terms of setting, color, and material?
2. Where do you think these photographs were taken? What is familiar or unfamiliar from these photographs?
3. Let's take a moment to gather around the drain on the floor, what do you see inside? Where do you normally see a drain? What do you normally see inside of a drain?
4. Has anyone experience a place or setting like this? What story can you form using these photographs?
5. Based on the photographs, what event could have led to the body being in the drain?
6. Has anyone ever been on a road trip before? If so, what are some activities you do on your journey?
